

**RESOLUTION OF THE GOVERNING BOARD OF
KERN COMMUNITY COLLEGE DISTRICT**

In re:) RESOLUTION NO. R-02-2022
)
**APPROVING THE ADOPTION OF A NEW)
BOARD OF TRUSTEES AREA)
ELECTION MAP FOLLOWING THE 2020)
DECENNIAL FEDERAL CENSUS)**
_____)

RECITALS

WHEREAS, Kern Community College District (“KCCD” or "District") Board of Trustees (“Board”) members are currently elected in a “by-trustee area” election system; and

WHEREAS, the District's Board members are elected in even-numbered years to serve staggered four-year terms such that the next election for four of the Board's seven seats is scheduled for 2022, with the remaining board seats scheduled for election in 2024; and

WHEREAS, under Education Code section 5019.5, following each decennial federal census, and using population figures as validated by the Demographic Research Unit of the Department of Finance as a basis, the governing board of each community college district in which trustee areas have been established, and in which each trustee is elected by the residents of the area the trustee represents, must adjust the boundaries of any or all of the trustee areas of the district so that one or both of the following conditions is satisfied:

- (1) The population of each area is, as nearly as may be, the same proportion of the total population of the district as the ratio that the number of governing board members elected from the area bears to the total number of members of the governing board; or
- (2) The population of each area is, as nearly as may be, the same proportion of the total population of the district as each of the other areas; and

WHEREAS, the District hired Redistricting Partners to serve as the District’s demographers to assess whether 2020 census data required the District to adjust its trustee area boundaries, and prepare draft trustee area election map plans for the Board and public's consideration, if needed based on the 2020 census data; and

WHEREAS, at the Board’s September 29, 2021 Special Board meeting, the Board received a presentation from Redistricting Partners highlighting changes in the KCCD population since the 2010 Census. Redistricting Partners also informed the Board that due to population growth within KCCD’s boundaries since the 2010 decennial census, under State and federal

voting rights laws, the Governing Board should redraw its trustee area boundaries to satisfy population variance standards between the most and least populated trustee areas; and

WHEREAS, the District informed its stakeholders, through publication of Board meeting agendas and a dedicated District website, of the District's intention to adopt a new trustee area election map following the 2020 decennial census; and

WHEREAS, during the December 16, 2022, January 20, 2022, and February 22, 2022 Regular Board meetings, the Board held public hearings to review and solicit input regarding the content of the draft election map plans and the established sequence of elections; and

WHEREAS, following the close of the February 22, 2022, public hearing, the Board voted to adopt the map labeled "Plan 4," attached to this Resolution as Exhibit A; and

WHEREAS, each trustee area in the trustee area election map attached to this Resolution as Exhibit A contains substantially equal population using the most recent decennial federal census data, as required by State and federal law; and

WHEREAS, the trustee areas from which KCCD Board members will be elected in November 2022 or at the next regularly scheduled governing board member election, if held on a different date, are Areas 1, 2, 3 and 5; and

WHEREAS, the trustee areas from which KCCD Board members will be elected in November 2024 or at the regularly scheduled governing board member election, if held on a different date, are Areas 4, 6, and 7; and

RESOLVED

NOW THEREFORE BE IT RESOLVED, that the Kern Community College District Board of Trustees hereby approves and adopts the new District trustee area election map, as set forth in Exhibit A; and

BE IT FURTHER RESOLVED, that the Chancellor and/or designee take all actions required by law to effect implementation of the new District trustee area election map identified in Exhibit A; and

BE IT FURTHER RESOLVED, that the Chancellor and/or designee is authorized to make technical adjustments to the trustee area boundaries that do not substantively affect the populations in the trustee areas, the eligibility of candidates, or the residence of elected officials within any trustee area if necessary to facilitate the implementation of this Resolution. The Chancellor and/or designee shall advise the Board of any such adjustments required in order to implement the new District trustee area election map identified in Exhibit A; and

BE IT FURTHER RESOLVED, that upon implementation of the new District trustee area election map and in accordance with current practice, one member of the Board shall be elected from each trustee area. A candidate for election as a member of the Board shall reside in, and be registered to vote in, the trustee area they seek to represent.

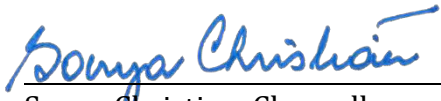

PASSED AND ADOPTED as Kern Community College District Resolution No. R-02-2022 this twenty-second day of February, 2022, by the following called vote:

AYES: 7 NOES: 0 ABSENT: 0 ABSTENSTIONS: 0

GOVERNING BOARD OF THE
KERN COMMUNITY COLLEGE DISTRICT

By 
Romeo Agbalog,
President, Board of Trustees

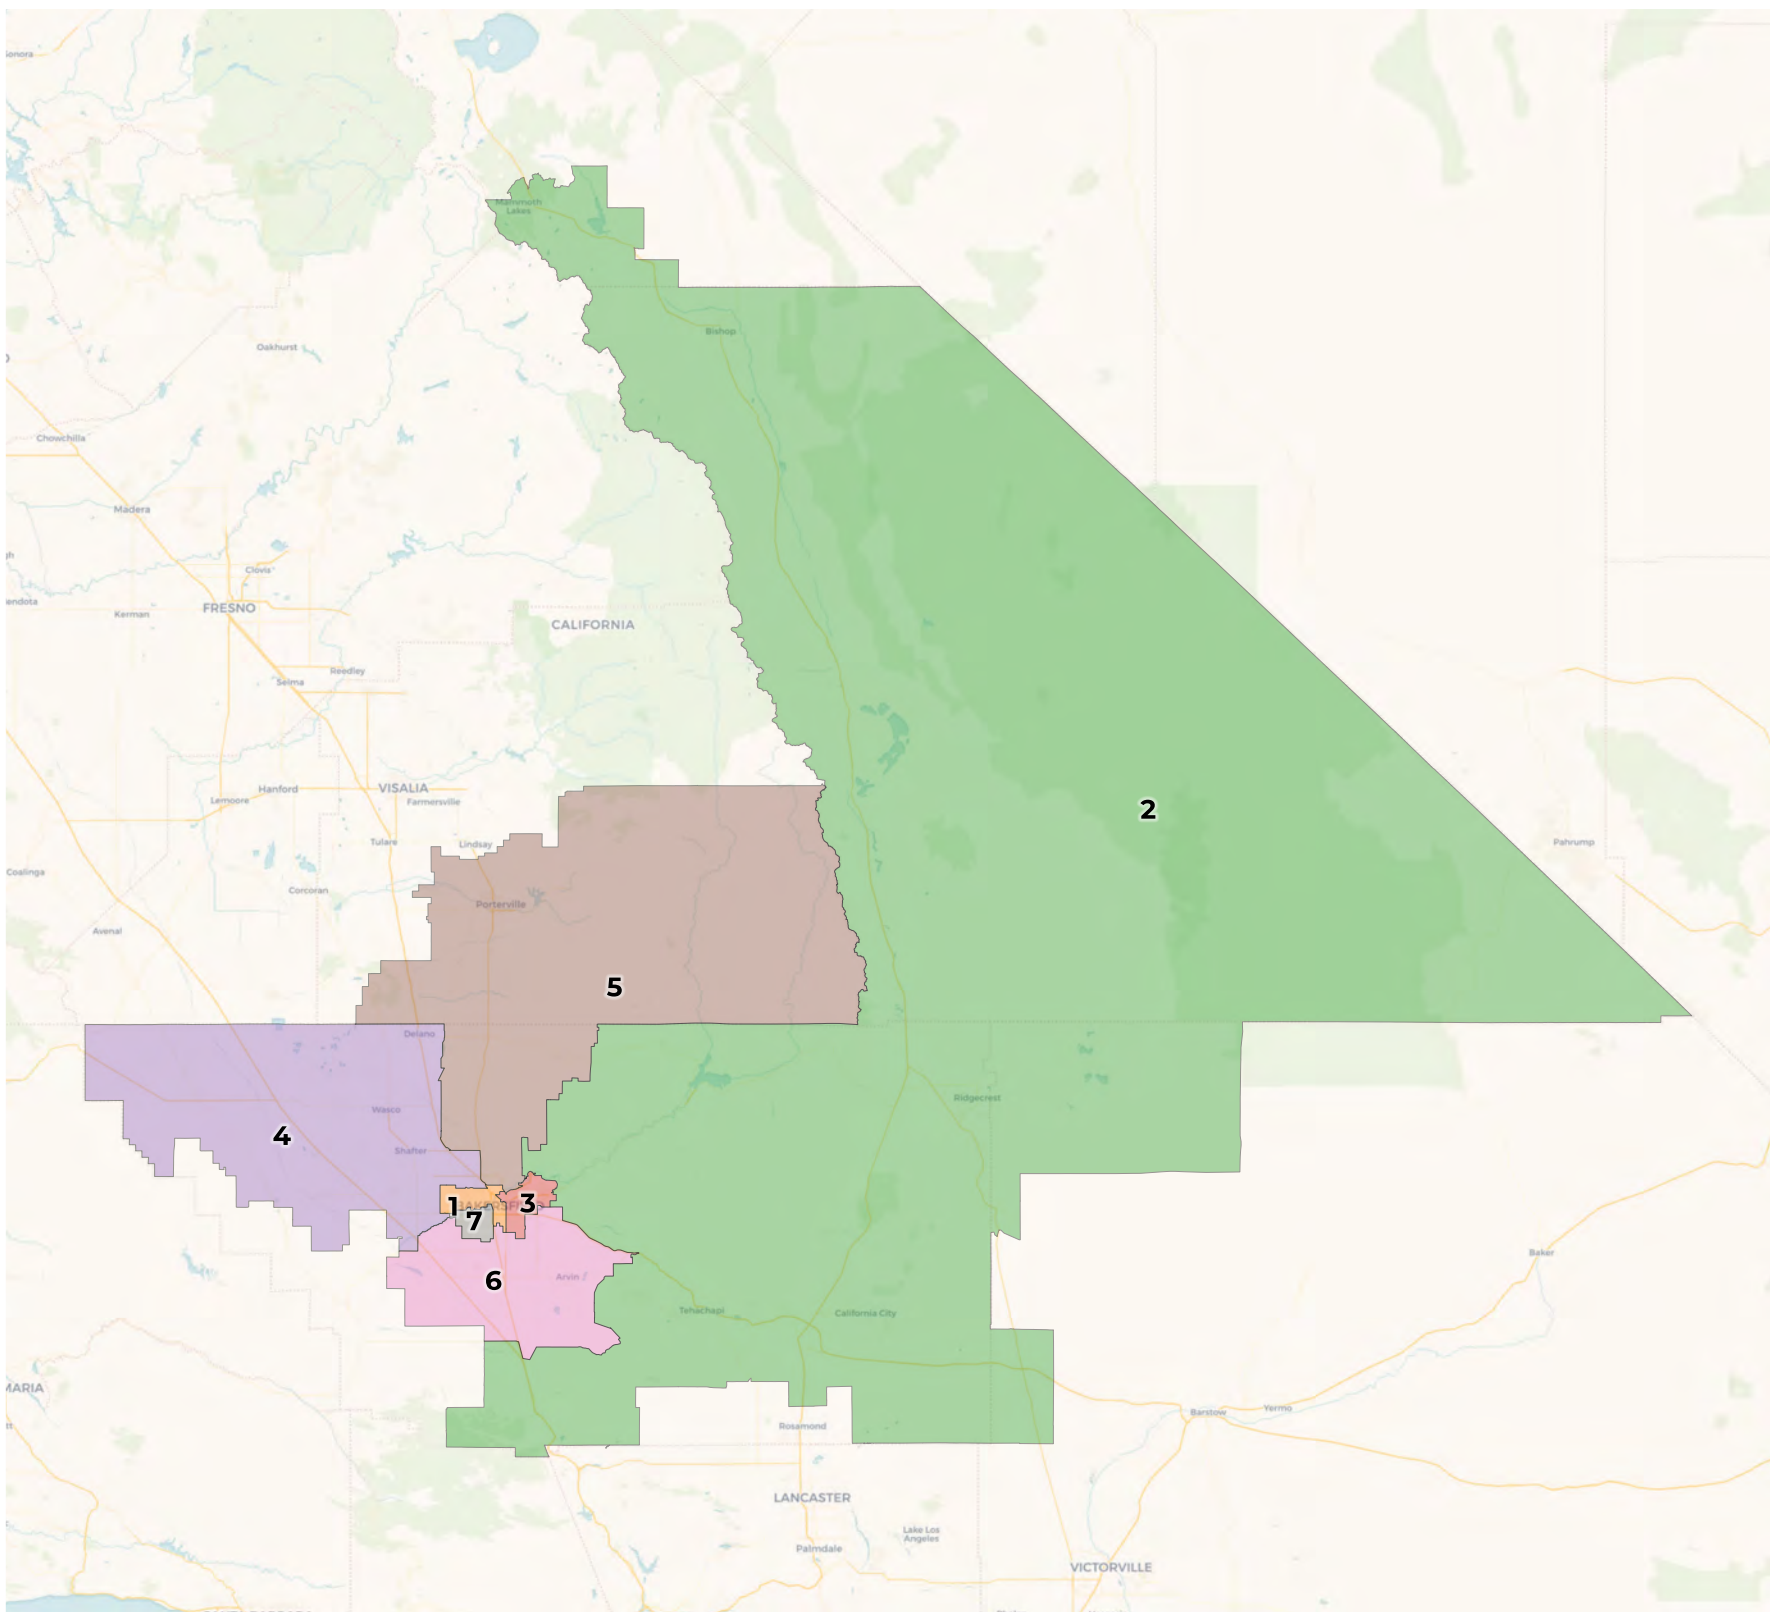

I certify that the Resolution is a full and correct excerpt from the Journal of the Board of Trustees of the Kern Community College District pertaining to the adoption of the Resolution at a meeting held on February 22, 2022.

Sonya Christian, Chancellor
Authorized Agent of the Board of Trustees
of the Kern Community College District
