Addendum is hereby expressly incorporated and made part of the Forklift Simulator VR Trainers for the Bakersfield College RFP #BC230705, proposal submission deadline no later than 2:00 p.m. PT, Wednesday, July 5, 2023.

ADDENDUM 1

Clarifications and Modifications to the RFP

1. A copy of the RFP and related documents have been uploaded to the Public Purchase website at www.publicpurchase.com and the Kern Community College District website at <https://www.kccd.edu/current-rfp-listing>.
2. Submit questions and responses electronically through the Public Purchase website at www.publicpurchase.com.

Answers to bidder questions:

- Q1.** Will you accept Non-OEM forklift controls, meaning a forklift control system that replicates and functions the same way as OEM?

Answer: Yes.

- Q2.** Are you requiring a 1 year software subscription to be included in the price?

Answer: No. If the subscription offers support and data analytics then it is recommended. The bid schedule has a line item of Annual Software/Subscription, if applicable.

- Q3.** The RFP specifications show a different quantity than the Bid Schedule. The request was for different quantities of each, however in the bid price list, the quantities listed are for "1".

Answer: This project has a budget of \$400,000 for 10 total units, 6 stand up and 4 sit-down trainers. The bid schedule is for ***each*** type of forklift simulators. You may also attach a quote with the bid schedule.

All other specifications remain unchanged.
