Answers to bidder questions:

- Q1.** We are also wondering if you could share any feedback provided by the interagency team leading the CA Jobs First Initiative on Kern Coalition's Regional Plan: Part 1?

Answer: The information will be sent separately upon request via a secure link.

- Q2.** Additionally, can KCCD share the reason why an update to Part 1 was requested?

Answer: The update was requested to incorporate feedback from stakeholders, to incorporate the industry sector analysis from other reports and to review the final submission for accuracy across indicators.

Q3. Were there specific concerns with the content of the original Part 1 or were updates requested from other HRTCs as well?

Answer: The State had a discussion with each California Jobs First region to provide their feedback directly. We have provided all information related to our specific discussion with the State oversight committee.

All other specifications remain unchanged.
