EXECUTIVE SUMMARY

EXECUTIVE SUMMARY

2016-17 TENTATIVE BUDGET ASSUMPTIONS

California's fiscal picture continues to stay very strong. Once again, the Governor proposed significant augmentations to the Systems budget. However, the Governor's budget message is one of temperance noting the economy is due for another recession. The Kern Community College District's 2016-17 Tentative Budget was developed relying primarily on the State's May revised budget for the California Community College System and includes the following:

| May Revised Budget Year 2016-17 | State Community College System |
|--|--------------------------------|
| Ongoing Funds Augmentation | |
| Cost of Living Adjustment @ 0.00% | \$0 |
| Enrollment Growth @ 2.0% | \$114.7 Million |
| Student Success and Support Program (SSSP) | No Augmentation |
| Student Equity | No Augmentation |
| Base Augmentation | \$75.0 Million |
| Workforce and CTE Pathways | \$248 Million |
| Apprenticeship Programs | \$1.66 Million |
| Categorical Program COLA @ 0.00% | \$0 |
| Full Time Faculty | No Augmentation |
| Basic Skills | \$30 Million |
| Telecommunications and Technology | \$8 Million |
| Institutional Effectiveness | \$10 Million |
| State Academic Senate | \$300K |
| FullTime Cal Grant B Student Financial Aid Program | \$2.2 Million |
| | |
| | |
| OneTime Funds | |

| Open Educational Resources (OER) | \$5 Million |
|---------------------------------------|-----------------|
| Mandated Cost Payoff | \$105.5 Million |
| Deferred Maintenance | |
| & Instructional Equipment | \$219.4Million |
| Telecommunications and Technology | \$7 Million |
| Innovation Awards | \$25 Million |
| Online Education Initiative | \$20 Million |
| Adult Education Technology Assistance | \$5 Million |
| Equal Employment Opportunity | \$2.3 Million |
| Funding Tied to Partnerships | |
| Adult Education | No Augmentation |
| Other | |
| Prop 39 Energy Programs | \$49.3 Million |

The 2016-17 Kern Community College District's Tentative Budget is based on a fairly conservative budget approach. Since the Governors May revised budget sets the COLA at 0%, we have incorporated base augmentation funding proposed in the May Revised budget of \$1.2 million. This minimal change in funding will result in unrestricted fund deficit spending by all operations in the District.

The Kern Community College District projects its ongoing total Tentative Budget General Fund revenues to be \$151.2 million reflecting a decrease of \$342,000 from the 2015-16 adopted budget. Unrestricted revenues are projected to be \$123.0 million reflecting a decrease of \$6.6 million from the 2015-16 adopted budget. This decrease is primarily due to \$9.0 million in one-time funds contained in the 2015-16 budget. This decrease is partially offset with an increase in base funding of \$1.2 million and additional funded FTES of \$1.3 million received after the District adopted its 2015-16 budget. Restricted revenues are projected to be \$28.2 million reflecting an increase of \$6.3 million over the 2015-16 Adopted Budget. Restricted funds increased significantly primarily due to increases in the 2015-16 Grant and Categorical funding levels that were not known until after the adoption of the 2015-16 District budget.

General Fund unrestricted and restricted ongoing expenditures are projected to be \$157.3 million reflecting an increase of \$13.6 million. Unrestricted expenditures are projected to be \$127.3 million reflecting an increase of \$6.7 million and restricted expenditures are projected to be \$29.9 million reflecting an increase of \$6.9 million.

District-wide reserves of \$707,000 are being utilized to balance the District Office operations budget to fund several onetime expenditures. The 2016-17 unallocated district-wide projected *beginning balance* is \$19.4 million. The colleges' projected beginning balances are \$17.0 million for a total District beginning balance of \$36.4 million. The combined 2016-17 unrestricted *ending balance* (reserves) is projected to be \$32.1 million (25.17%).

Ongoing expenditures are expected to increase due to 1) increase in faculty salaries of 3.17%; 2) Step and Column increase in classified salaries of 5.48% (two year impact); 3) increase in management and confidential salaries of 11% (two year impact) 4) health and welfare benefits CAP adjustments of 0.47% as required by collective bargaining agreements; 5) a 6.32% increase in workers compensation premiums; 6) a defined benefit rate increase of 37.5%; 7) an increased STRS contribution of 17.24%; 8) increased PERS contribution of 17.23%; 9) and 10) incremental increase of 24 new full time faculty to comply with the Faculty Obligation Number (FON) 6.1%.

Revenue Assumptions

- **COLA** funded at a 0.00%, generating no additional revenues
- ➤ **Growth** (access) not yet determined --- per district allocation model, growth is allocated based upon the prior year's actual growth and is only allocated for inclusion in the adopted budget. However, it should be noted that Bakersfield College is projected to have earned in 2015-16 approximately \$2.9 million in growth funding that will be reflected in the 2016-17 Adopted Budget allocation.
- **Stabilization** per the district allocation model stabilization is determined at the time of the adopted budget
- ➤ **Base** unrestricted apportionment augmentation of \$1.2 million
- ➤ **Enrollment fees** remain the same at \$46/unit
- ➤ Part-time adjunct faculty salary support for the district is projected at \$402,000, reflecting no change from the 2015-16 budget

- Lottery proceeds estimated at \$2.9 million
- > Mandated cost recovery for \$524,670; the district does not project any additional funding until the State adopts its annual budget.
- **Full Time Faculty Obligation** support funded at \$1.1 million.
- Deferred Maintenance and Instructional Equipment the district does not project funding until the State adopts its annual budget.
- Restricted programs, grants and categorical funds are projected to generate a combined \$28.2 million in revenue reflecting a \$6.3 million increase from 2015-16 adopted budget amounts. The majority of this increase reflects funding changes that occurred in 2015-16 that were not reflected in the 2015-16 Adopted Budget due to those State allocations being made after the District adopted the 2015-16 Budget. The increases are attributed to significant increased funding for Student Equity (\$1.7 million), Student Success and Support Program (\$2.1 Million), Career Pathway Grants (\$2.0 million), Adult Education Grant (\$1.2 million) and EOPS/DSPS (\$560k). These increases are partially offset by several federal grants ending (\$-1.2 million). Further Modifications to the restricted programs, will be updated as California Community College categorical allocations are finalized by the State during September and October.

Expenditure Assumptions

- ➤ Salary costs for all employee classes reflect all contractually required step/column changes for 2016-17 at a cost of approximately \$4.1 million. Classified salary increase of 5.48% representing a cost of \$1.3 million (two year impact), faculty salary increase of 3.17% representing a cost increase of approximately \$1.3 million and a management and confidential salary increase of 11% representing a cost of approximately \$1.5 million (two year impact).
- ➤ **Faculty Obligation Number (FON)** generates a 6.1% increase representing an additional cost of approximately \$2.2 million for 24 incrementally new faculty.

- ➤ **Health and welfare benefit cap change is projected to** increase cost by 0.47% from 2015-16 at a cost to the District of approximately \$58,000.
- ➤ Workers Compensation Premiums are projected to increase by 6.32% at a cost to the District of \$69,000
- ▶ **Defined Benefit is to** increase of 37.5% at a cost to the District of \$61,000.
- > **STRS Contribution** increase of 17.24% representing a cost of \$897,000.
- ➤ **PERS Contribution** increase of 17.23% representing a cost of \$521,000.

Beginning and Ending Fund Balances

- ➤ **Un-audited unrestricted <u>beginning</u>** fund balance for 2016-17 is projected to be \$36.4 million. This constitutes both unallocated district-wide and college fund balances. This figure will be finalized with the completion of the annual audit. The balances segregating unallocated district-wide and college funds will be incorporated into the 2016-17 final allocations in February 2017.
- > **Unrestricted ending fund balance** for 2016-17 is projected to be \$32.1 million. This balance reflects both unallocated district-wide and college reserve balances.

KCCD

KERN COMMUNITY COLLEGE DISTRICT

The Fiscal Year 2016-17 Tentative Budget was developed to sustain the academic programs and support services of the Kern Community College District that accomplish the implementation of the district's Strategic Plan. The programs of the district are consistent with the primary mission of the California Community Colleges.

CALIFORNIA COMMUNITY COLLEGES MISSION

The mission of the California Community Colleges is to offer lower division academic and career/technical education. Another primary mission is to advance California's economic growth and global competitiveness through education, training, and services that contribute to continuous workforce improvement. Essential and important functions of the Colleges include basic skills education, instruction in English as a second language, adult noncredit instruction, and support services that help students succeed at the post-secondary level.

KERN COMMUNITY COLLEGE DISTRICT

The multi-campus Kern Community College District serves an area of approximately 24,800 square miles in parts of Kern, Tulare, Inyo, Mono, and San Bernardino counties. Geographically one of the largest community college districts in the United States, KCCD serves a population base of approximately 1.28 million, an estimated enrollment of 40,000 unduplicated annual headcount, with an annual general fund-operating budget and reserves of approximately \$189 million. While the district was established as a separate entity on July 1, 1968, educational services have been provided to residents of this area for many years prior to that time: at Bakersfield College since 1913, at Porterville College since 1927, and in the Ridgecrest area since 1951, now Cerro Coso Community College. Community education centers offer courses at locations away from the colleges. The district also provides a distance education program through the use of sophisticated technology.

MISSION OF THE KERN COMMUNITY COLLEGE DISTRICT

The mission of the Kern Community College District is to provide outstanding educational programs and services that are responsive to the needs of our diverse students and communities.

THE KERN COMMUNITY COLLEGE DISTRICT WILL ACCOMPLISH ITS MISSION BY:

- Providing academic instruction to promote fulfillment of four-year college transfer requirements and encourage degree and/or certificate acquisition in our surrounding communities.
- Providing workforce skills training through career and technical education programs.
- · Providing basic skills education and student services programs to enable students to become successful learners.
- Establishing partnerships with businesses, governmental entities, and educational institutions to advance economic development.
- Improving the quality of life of our students and communities through broad-based general education courses.
- Preparing students with the skills to function effectively in the global economy of the 21st century.
- Anticipating and preparing to meet challenges by continually assessing and prioritizing programs, services, and community needs.

VISION OF THE KERN COMMUNITY COLLEGE DISTRICT

The Kern Community College District will be recognized as an exemplary educational leader, partnering with our communities to develop potential and create opportunities. Successful students will strengthen their communities and, along with the faculty and staff, become lifelong learners.

VALUES OF THE KERN COMMUNITY COLLEGE DISTRICT

The Board of Trustees, faculty, and staff of the Kern Community College District, in implementing the mission of the district, subscribe to the following values. All values focus on having a positive impact on the lives of students.

Invested We are invested in our students by assisting them to achieve informed educational goals.

Inclusive We foster an inclusive learning environment that celebrates the diversity of people, ideas and learning styles.

Accountable We promote a climate of trust and accountability through the open sharing of ideas and information.

Focused We are focused to strive for and meet the highest standards of performance in everything we do.

Committed We are committed to recruiting and retaining the best employees.

STRATEGIC GOALS

Goal One: Maximize student success

Goal Two: Advance student equity measures

Goal Three: Ensure student access

Goal Four: Enhance community connections

Goal Five: Strengthen organizational effectiveness

2016-17 DISTRICT-WIDE PRIORITIES

1 Improve Student Achievement rates to lead the California Community Colleges by 2017.

- 2. Advance implementation of the Educational Master Plan that is focused on supporting students with preparation for transfer, Career & Technical Education (CTE), and developmental education (Basic Skills & support services).
- 3. Promote unifying the colleges and district office into an integrated system that operates cooperatively, efficiently, and effectively as a collective of three colleges serving a diverse service area and student population.
- Strengthen personnel and institutional effectiveness to achieve and sustain excellence as measured by student outcomes and institutional climate.
- 5. Retain fiscal stability by maintaining a district wide unallocated reserve of at least 15% and reducing unfunded debt liabilities.

BAKERSFIELD COLLEGE

BAKERSFIELD COLLEGE

Vision: Building upon more than 100 years of excellence, Bakersfield College continues to contribute to the intellectual, cultural, and economic vitality of the communities it serves.

Bakersfield College was founded in 1913 and is one of the nation's oldest continually operating community colleges. During the course of an academic year, the college serves student enrollments of approximately 18,000 per semester. Bakersfield College offers local baccalaureate of science, associate of arts and associate of science degrees, transfer associate of arts degrees and career and technical certificates. Courses are taught primarily at the Panorama campus, the Delano Campus, the Weill Institute in downtown Bakersfield and Arvin High School southeast of Bakersfield and online. Bakersfield College offers a variety of services to support student success. Financial Aid, Counseling and Advising, Transfer Services, Disabled Student Support Services, Veterans Resource Center, Extended Opportunities Programs and Services, health and wellness services, job placement services, assessment testing, outreach, Child Development Center and other services are all available to meet students' diverse needs and support their success.

The Panorama campus includes more than 34 buildings located on 153 acres. These buildings comprise approximately 446,000 square feet of assignable space for educational and support programs. The Delano Campus and Weill Institute are community outreach sites serving *different community needs*. Renovation and modernization projects on the main Panorama campus that were started in late spring 2012 are planned to continue into 2016-2017. Major modernization projects, such as the Simonsen Performing Arts Center and classroom and facility refurbishing, replacement of all gas and water lines, and energy efficiency projects have been completed.

The 2014-2017 Educational Master Plan was developed in response to the identified community needs and the needs of students. The plan informs the Facilities Master Plan, the Technology and the Strategic Plans. Bakersfield College developed a strategic plan in 2012-2013 that was updated in fall of 2015. The "2015-2018 Strategic Directions for Bakersfield College"

continues to emphasize student success, strategic use of personnel and funding, and an investment in facilities and infrastructure. The Strategic Directions are Student Learning, Student Progression and Completion, Facilities, Oversight and Accountability, and Leadership and Engagement. Each direction is linked to initiatives and data strands for benchmarking progress and success.

The strategic plan and priorities has informed the budget development for 2016-2017. Currently, approximately 90% of the budget is allocated to salaries, benefits, and 10% to other non-operational expenses. In addition, Bakersfield College receives approximately \$12.9 million dollars in state and federal grant dollars. Bakersfield College is focused on strategically repurposing existing resources and grant dollars to meet college priorities. Examples of repurposing personnel and funding include the following: Student Services realignment funded by categorical and general fund dollars; an Early Alert system funded by a grant; technology enhancements in classrooms and support areas funded by the general fund and grants; facilities improvement funded by SRID, general fund and grants; professional development funded by grants. College-wide discussions have started to determine long-term fiscal sustainability by augmenting revenue streams. The 2016-2017 budget will show adjustments to reflect the priorities of the college and

Mission

Bakersfield College provides opportunities for students from diverse economic, cultural, and educational backgrounds to attain Associate and Baccalaureate degrees and certificates, workplace skills, and preparation for transfer. Our rigorous and supportive learning environment fosters students' abilities to think critically, communicate effectively, and demonstrate competencies and skills in order to engage productively in their communities and the world.

Core Values

- Learning: We foster curiosity, inquiry, critical thinking, and creativity within a safe and rigorous academic
 environment so that we might be empowered to radically transform our community into one that gives voice and
 power to all people.
- Integrity: We continue to develop and follow an ethical and moral consciousness which places the collective wellbeing
 and health above the self; this principled environment allows for open, constructive conversations and teaches us to
 trust each other's vision so that we will be useful and effective in providing support, resources, and encouragement.

- Wellness: We believe health and wellness to be integral and foundational elements and we understand that a holistic
 education improves all aspects of the individual and the society including the mind, body, and spirit; through education,
 we will positively impact the health of the natural environment and the global community.
- Diversity: We insist that diversity be valued and promoted, recognizing that multiple perspectives lead to a better
 education and knowledge of the world; listening and witnessing different experiences helps us to understand and
 contextualize power and privilege related to gender, race, class, religion, disability, and sexuality in terms of access and
 barriers to resources and opportunities.
- Community: We commit to the wellbeing of all members of our community; we maintain strong ties with the
 surrounding community, and we respond to their needs by serving as an open institution which engages all students,
 faculty, and staff; in our college, we have built and continue to build and environment in which all members participate
 as a community through democratic engagement.
- **Sustainability:** We recognize our responsibility for continuing and maintaining this institution which has been shaped by over 100 years of resolute and tenacious labor and judicious foresight, so we unceasingly place our energies into imagining how we might sustain and renew our fiscal, human, and environmental resources into the future.

Strategic Directions – The word "directions" has multiple connotations: directions in the sense of following a route and in the sense of how to put something, like an effective institution, together.

Student Learning ~ A commitment to provide a holistic education that develops curiosity, inquiry, and empowered learners.

Student Progression and Completion ~ A commitment to eliminate barriers that cause students difficulties in completing their educational goals.

Facilities ~ A commitment to improve the maintenance of and secure funding for college facilities, technology, and infrastructure for the next thirty years.

Oversight and Accountability ~ A commitment to improve oversight, accountability, sustainability, and transparency in all college processes.

Leadership and Engagement ~ A commitment to build leadership within the College and engagement with the community.

CERRO COSO COMMUNITY COLLEGE

CERRO COSO COMMUNITY COLLEGE

MISSION

The mission of Cerro Coso Community College is to provide tailored programs and equitable services to the students in the communities and rural areas we serve. We demonstrate a conscious effort to produce and support student success and achievement through traditional and distance delivery.

To accomplish this mission we will provide:

- · Degrees and certificates in transfer and career technical education
- Remedial instruction
- Comprehensive support services
- · Learning opportunities that develop ethical and effective citizenry
- Continuing education that is compatible with the institutions primary mission

THE COLLEGE AND ITS COMMUNITIES

Cerro Coso Community College was established in 1973 as a separate college within the Kern Community College District. Cerro Coso has five instructional sites, which together form the largest geographical service area (18,500 square miles) of any community college in California. Cerro Coso serves a population of approximately 85,000. The 320-acre Indian Wells Valley campus is located in the upper Mojave Desert in the community of Ridgecrest, which has a population of 28,200. Community outreach campuses are located in east Kern County encompassing Edwards Air Force Base, California City, Mojave, and Tehachapi, and to the west at Lake Isabella. The adjacent counties of Inyo and Mono are served by the Eastern Sierra College Center (ESCC), with campuses in Bishop and Mammoth Lakes. The sixth instructional site, CC-Online, is a virtual campus which provides comprehensive services and learning opportunities to students across the district, the state, and the nation. Cerro Coso offers the Associate in Arts and the Associate in Science degrees as well as certificates of achievement in career and occupational programs. Total student enrollment is approximately 4,400 per semester with an annual FTES of approximately 2800.

GUIDING PRINCIPLES

Keeping the College Mission, Vision, and Values as its contextual umbrella, and utilizing the Educational Master Plan, the College Strategic Plan, Annual Unit Plans, the Achieving the Dream Plan and Student Success as guiding tenets, the budget was developed and recommended to the college President through the defined governance process.

MEETING THE CHALLENGES

Cerro Coso Community College strives to meet the educational needs of all the communities it serves with student success and completion being its goal. Throughout the 2015-2016 academic year the Institutional Effectiveness Committee provided oversight of tying planning to requests of staffing and financial resources. All Unit Plans, along with staffing and budget requests, were submitted in October 2015 for the 2017 academic year. The development of the Resource Allocation Analysis for the areas of IT, Maintenance and Operations, Marketing, Professional Development, and Staffing, informs the development of those budgets. Our schedule of offerings continue to hone in on our core mission of transfer, CTE and Basic Skills education, utilizing data to increase the effectiveness of our decisions in enrollment management. Because we value providing staff development to all employees, together with the Cerro Coso Community College Foundation, we continue to utilize a portion of

the proceeds from the Annual Astronomical BBQ and Star Gazing Party to offset the cost of our Classified Appreciation Staff Development Day, Adjunct Staff Development Day, and Administrative Advances. Unfortunately this year the college is realizing its first budget without being provided stabilization funding. While being well aware of declining FTES within our service over the past four years, our efforts to increase enrollment through establishing dual enrollment in all feeder high schools, and establishing offerings in Tehachapi as well as two prisons in our area has yet to catch up with the decline. It does appear that we have leveled out and turned the corner ever so slightly. Cerro Coso is able to balance this year's budget with the use of our college reserve. We will continue to utilize our substantial reserve to support the planned expansion into Tehachapi, complete our modernization of our prioritized facility plan, and for unexpected maintenance.

LOOKING TO THE FUTURE

Cerro Coso continues to look for funding opportunities that support the academic programs that train our students for the emerging and existing job markets in our East Kern desert communities. We continue to build partnerships with our neighboring communities, K-12 school districts and local businesses, evidenced by the dual enrollment programs being implemented with Mojave School District, Kern Valley High School, Tehachapi High School, Mammoth High School, and Burroughs High School. We are also partnering with those east Kern K-12 school districts in implementing our portion of a plan for addressing adult education as consortium members related to AB86. We also have begun offering programs to inmates located in the California City Prison and Tehachapi Prison. We are partnering with the local K-12 school districts on the implementation of their awards of pathway grants that aligns curriculum between the high schools and our college. Through collaborating with local contractors and NAWC-WD the Computer Science Program reengineered its pathways to include Cybersecurity to help provide the gap in this specific workforce. This coming year will be a continued focus on increasing the effectiveness of on-boarding students as well as assisting them in completing their programs and getting them transferred or placed into the job market.

PORTERVILLE COLLEGE

PORTERVILLE COLLEGE

Mission:

With students as our focus, Porterville College provides our local and diverse communities an excellent educational experience that fosters intellectual curiosity and growth, lifelong learning, and prepares our students for personal and academic success.

Porterville College was established in 1927 as a part of the Porterville Union High School and College District. All of the classes were taught in high school classrooms until 1944 when a building was constructed on the high school campus specifically for the junior college. The College moved to its current location in 1955. The college dissolved its relationship with the high school district in 1967 and joined the Kern Community College District.

The current campus covers approximately seventy acres and provides educational opportunities to people from a geographic area covering 2,800 square miles in southeastern Tulare County. The educational programs offered include transfer, basic skills, workforce preparation, community education, and economic development.

Porterville College serves the community of Porterville, with a population of over 50,000 and a larger Tulare county service area population of over 100,000. The rural institution enrolls over 3,900 full-and part-time students each year.

The College offers educational programs that include, transfer, basic skills, occupational, community service, and economic development. There are 8 academic divisions with the College that include: Career and Technical Education, Fine and Applied Arts, Health Careers, Language Arts, Physical Education and Athletics, Science and Mathematics, Social Sciences, and Student Learning Services. These divisions offer a broad range of majors and transfer opportunities, certificates, and basic skills courses and programs.

FOCUSING ON STUDENT SUCCESS

Student centered learning is a common theme at Porterville College and the College offers numerous support services in the spirit of student-centered learning. Included in these services are academic advising and counseling, child care, Disability Resource Center (DRC), financial aid, Extended Opportunity Programs and Services (EOPS), Cooperative Agencies Resources for Education (CARE), student support services (SSSP/Equity), student activities and clubs, athletics, transfer center, tutoring assessment, student rights, admissions and records, orientation, wellness, and veterans services.

In 2013, Porterville College became an Achieving the Dream Participating Institution. Achieving the Dream is based on the premise that to improve student success on a substantial scale, colleges must fundamentally change the way they operate. Achieving the Dream is

providing an integrated approach to address transitional barriers and pathway development to foster student success and community access to career readiness support services. The campus continues to focus on creating a culture of evidence in which data and inquiry drive broad-based institutional efforts to close achievement gaps and improve student outcomes overall. The College is strengthening the connections across the community to break down silos and link educational and workforce development services. Realizing that a better prepared student is a more successful student, the college has increased dual and concurrent enrollment opportunities for local high school students.

The College continues to position itself to meet the growing and changing needs of the community. This includes exploring course offerings through Community Service or Contract Education and pursuing grant opportunities. The College offers summer enrichment courses focus on introducing students to industry sectors and/or career technical education (CTE) education programs with a primary emphasis on career planning and academic skill enhancement. These courses integrate rigorous academic instruction with a demanding technical curriculum aligned the high school career pathway programs.

Significant progress also has been made in the development and approval of well-defined programs of study. Currently, the College offers 10 Associate in Arts or Associate in Science Transfer degrees with an additional 3 degrees pending State approval. Also, the College offers fourteen associate degrees and over fifteen certificate programs with one pending State approval. Additionally, there are several unique occupational training programs, including Administration of Justice, Police Cadets, a Police Reserve Officer Academy, Firefighter Academy, Psychiatric Technician, Power Technician, Utility Worker, Industrial Maintenance, Emergency Medical Technician, and Registered Nursing.

Porterville's higher educational needs are estimated to continue expanding resulting from recent industrial investments in the local area. It is projected that this investment will result in an increase in demand for the college trained workers. The increase in Adult Education (AB 86) and Basic Skills funding initiatives are assisting Porterville College in fostering pathways for the community to access educational instruction that directly leads to employment.

Understanding the impact of the learning environment on student success, efforts are being undertaken to provide a safe and secure colligate atmosphere. Also, efforts are ongoing to sustain the campus physical and technological infrastructure. The College is near the end of a multi-year facilities enhancement project, funded primarily by the SRID (Measure G) bond funds. Currently, the College is partnering with the City of Porterville to enhance campus accessibility via public transportation routes.

The Porterville College Foundation actively supports the College through providing many scholarships for students. During the last fifteen years, the net asset allocation of the Foundation has grown and changed considerably. The net assets are approximately over \$5.2 million. The Foundation sponsors an energetic campaign to support college programs, faculty projects, and campus-wide projects. This synergy between the College and community promotes an academically-focused and student-centered learning environment.

DISTRICT OFFICE

DISTRICT OFFICE OPERATIONS

The Kern Community College District offers affordable quality education through its three colleges with a strong commitment to excellence in education. Our colleges provide transfer programs, associate in arts and associate in science degrees, vocational certificate programs, and a vast choice of community service classes. Our colleges also offer a wide variety of both day and evening courses designed to fill academic, vocational, and personal enrichment needs.

The District Office provides the following support services to the colleges:

- <u>Chancellor's Office</u>: Serves as liaison with the State Chancellor's Office and with the KCCD Board of Trustees; provides district-wide strategic direction and leadership; develops and implements district board policies and procedures; coordinates district general legal counsel, serves as liaison with local and federal agencies; conducts internal audit activities; provides institutional research and reporting; reports analysis and implementation of legislation and regulations.
- <u>Educational Services</u>: Directs strategic and tactical planning; coordinates instructional programs and student services; serves as accreditation liaison with the colleges; coordinates workforce and economic development programs; monitors compliance with state and federal regulations and reporting; and serves as liaison with local, state and national agencies.
- Business Services: Facilitates district-wide development of accounting systems and procedures, budget control and compliance, risk
 management, coordination of external audits, investment and cash flow management and reporting, purchasing and financial
 regulatory reporting, district-wide contract approvals and administration, fixed assets, and preparation of the district-wide financial
 statements in accordance with generally accepted accounting principles.
- Human Resources: Provides district-wide services to all employees; serves as internal consultants to management; facilitates
 employment benefits and labor relations (including collective bargaining) for all employee groups; recruits new employees; maintains
 staff diversity; provides training and professional development related to health and safety, workers compensation, provides labor
 contract administration, payroll, and compliance with federal and state labor laws, and local policy and procedures.
- Information Technology: Supports information technology efforts of the three colleges and their centers, for more than 40,000 students, about 1,600 faculty and staff, and 3,600 computers; supports administrative technology needs of college and district operations.

• <u>Facilities:</u> Provides district-wide facilities planning and construction management services, including district-wide capital outlay and scheduled maintenance projects for new and modernization construction projects; coordinates all district-wide construction compliance requirements.

Kern Community College District Operations Funding Priorities for 2016-17:

Implement improved contract management technology

Continue district-wide organizational and staff development

- Expand resources in Educational Services to address new systems implementation and compliance
- Expand Business Services resources to conduct student financial aid processing of pay warrants and tax forms
- Implement enhanced instructional support systems includind Canvas and eluman
- Enhance Information Technology
 - Increase network security
 - Complete implementation of facilities reporting tools
 - Improve project management capabilities
 - Reorganize to advance ERP management and customer support
