**Reference:**

Title 5 Section 55022

Courses may be offered in the following categories:

- Courses in which all students are evaluated on a "Pass-No Pass" basis.
- Courses in which each student may elect until the last day of instruction, as established and published by the District, whether the basis of evaluation is to be "pass-no pass" or a letter grade

A student electing to be evaluated on the "Pass-No Pass" basis will receive both course credit and unit credit upon satisfactory completion of the course. In computing a student's grade-point average, grades of "Pass-No Pass" shall not be included.

A "Pass" grade is granted for performance that is equivalent to the letter grade of "C" or better. A student who fails to perform satisfactorily will be assigned a "No Pass" grade. Satisfactory Progress "SP" is a possible grade option for students in noncredit courses.

The student is responsible for all assignments and examinations required in the course. The standards of evaluation shall be identical for all students in the course.
